

PROTECTING FAMILIES AND FUTURES

You are unique. Your personal insurance should be too.

Trust Indwe for sound advice, to manage your personal portfolio and to be at your side if you have to make a claim. Life happens fast, but with us you have peace of mind that you're covered if things go wrong.

OUR PERSONAL INSURANCE SOLUTIONS

We offer comprehensive personal cover through reputable South African insurers. By first understanding your unique needs, we can provide relevant risk and financial solutions that focus on you.

ASSET INSURANCE:

Protect your personal assets against life's uncertainties.

Home: Protect your biggest investment – your home – and your household contents, portable possessions, and other permanent structures on your property against loss or damage.

Vehicle: Ensure that your valuable asset is adequately covered whether it's a vehicle, motorcycle, caravan, trailer, watercraft, or specialist vehicle.

SPECIALIST INSURANCE:

Get tailored cover for items not included in a normal policy.

Personal accident: If you are in an accident or succumb to your injuries because of an accident, this policy pays out a lump sum to you or your beneficiary.

Pets: You never know when an accident or illness can occur, but with pet insurance you can give your furry family member the best care possible.

Travel insurance: With travel insurance you're protected against the risks and any financial losses that can take place while you're away from home.

RAF claims: You or a dependant of the deceased victim can get assistance managing a Road Accident Fund claim, saving cost and hassle.

Emergency services: Get help when you need it the most. Whether medical, roadside or home, we have assistance services available 24/7.
